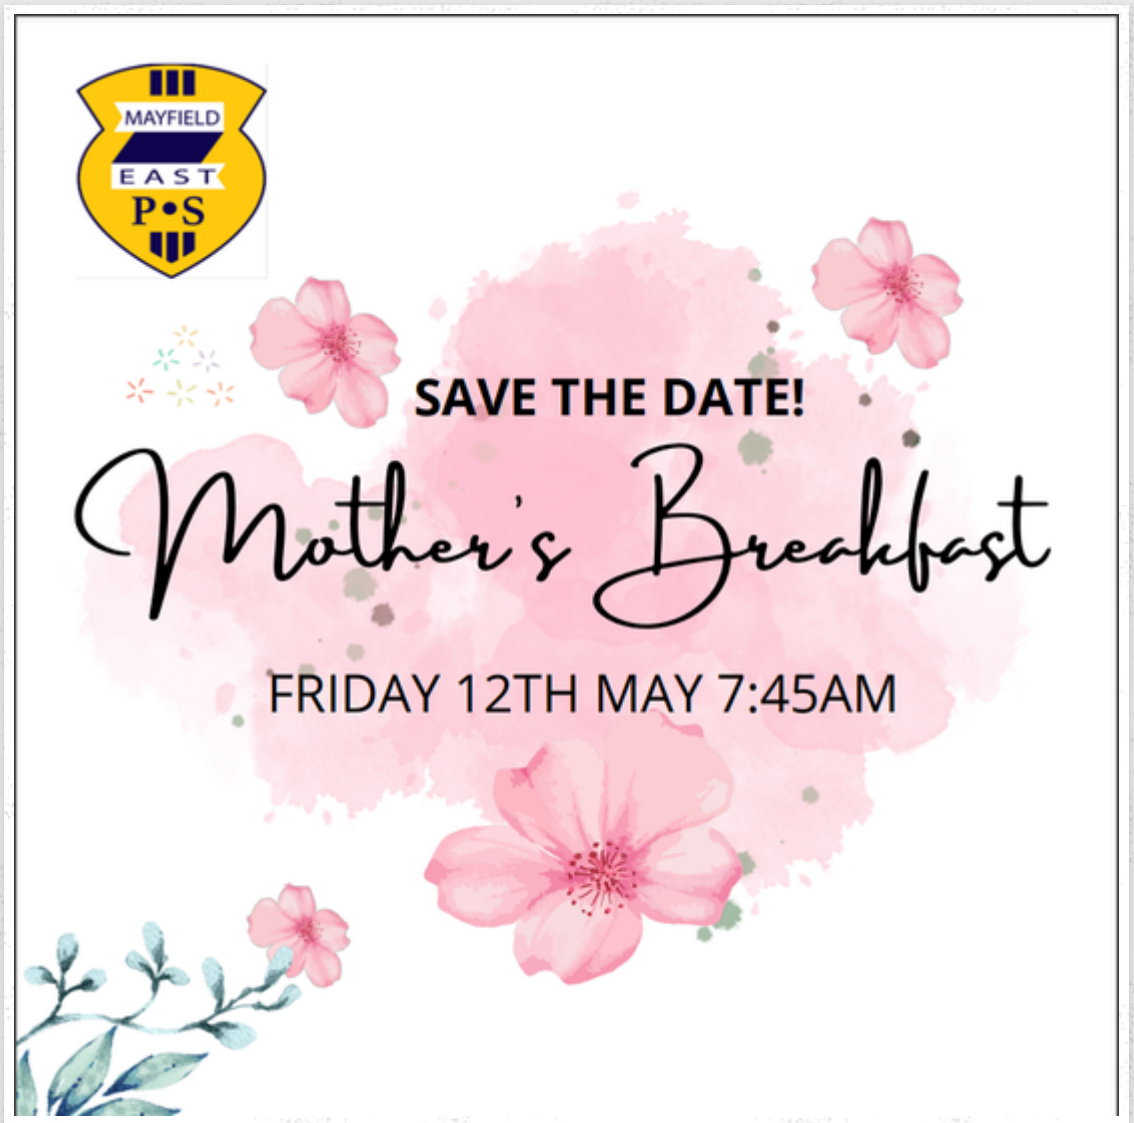
MAYFIELD EAST PS NEWS

BACK TO TERM 2 UPDATE



PRINCIPAL'S REPORT

Kaayi MEPS kanara (Hello MEPS family),

Welcome back to Term 2 . I hope you had a restful break. This is just a quick note to give some needed information before our regular Newsletter next week. Further down you will see some important upcoming dates and events as well as some information from our P&C about their mothers day stall and next meeting. Yr 6 parents don't forget notes for tomorrow's Anzac Excursion and also notes need to be in for the Year 6 transition day at Waratah High by Monday 1st June

3 Staff Development Day - change of date

As mentioned in previous newsletters, our Term 3 Staff Development Day has been moved from Monday 17th July (the Monday after the school holidays) to ***Monday 18th September*** (Monday of the last week of term). As mentioned previously , this would mean that students and staff would attend school as a normal day on 17th July , but on Monday September 18th classes at MEPS would not run as staff would be attending professional development activities offsite. I have spoken to Liz at WEMOOSH informing her of the date variation and she will prepare a proposal for WEMOOSH registered families.The school will not have classes or supervision of students on this date (18th Sept) as all staff will be off-site.

We will have a more detailed newsletter next week...

"Muruung Bangayi" (Awabakal for have a nice day)
