STUDENT'S EQUIPMENT REQUIREMENTS FOR 2016

December 2015

In reply to parents' requests, Mayfield East is changing book packs in 2016. All children will be given exercise books which will be funded from the school's equity component. This ensures they have the right type of book for each key learning area studied as well as the appropriate line spacing. Below is a list of day-to-day equipment needed by students in various grades which we are asking parents to supply. Perhaps some of these could be purchased for Christmas. Additionally, parents will be required to financially contribute to literacy and specialised programs their children are involved in.
